

## Plumbing and Drainage Application Checklist

### ON-SITE TREATMENT FACILITIES CHECKLIST

Please provide details listed below for the design plan and documentation required for ALL On-Site Facilities (Sewerage and/or Greywater)

**On-Site Treatment Facility Design Plan showing:**

<i>Name and licence number of design person for on-site facility</i>	<input type="checkbox"/>
<i>Drawn to scale (Minimum 1:200 on A3) Sections (1:50 on A3 or A4)</i>	<input type="checkbox"/>
<i>Sufficient dimensions to enable assessment</i>	<input type="checkbox"/>
<i>Location of proposed or existing buildings or structures on premises</i>	<input type="checkbox"/>
<i>Location of each body of water potentially affected by effluent</i>	<input type="checkbox"/>
<i>Dimensioned location of on-site treatment plant</i>	<input type="checkbox"/>
<b>Location of on-site application area including:</b>	
<i>Layout of drainage for the area and;</i>	<input type="checkbox"/>
<i>Proposed method of applying effluent to the area</i>	<input type="checkbox"/>
<b>Distances from the on-site application area to:</b>	
<i>The boundary of the premises</i>	<input type="checkbox"/>
<i>Proposed or existing buildings or structures on premises</i>	<input type="checkbox"/>
<i>Any impervious surfaces (e.g. paths for pedestrians, paved areas)</i>	<input type="checkbox"/>
<i>Each body of water potentially affected by effluent</i>	<input type="checkbox"/>
<i>Ground levels referenced to reduced levels (or AHD)</i>	<input type="checkbox"/>
<i>Drainage invert level of On-site sewage treatment plant( Reduced or AHD))</i>	<input type="checkbox"/>
<i>Details of proposed on-site treatment plant type and size</i>	<input type="checkbox"/>
<i>Details of water supply to premises</i>	<input type="checkbox"/>

**Site & Soil Evaluation per QPW Code for premises**

**Form 1- Disposal of wastewater in unsewered area section completed**

**Reference: Standard Plumbing & Drainage Regulation 2003 s14**

Please attach all plans and documentation for On-Site Sewerage Facility to this Checklist
