

Causeway South Amenity Upgrade

Project Description:	Upgrade to existing amenity to incorporate two PWD (persons with disability) toilets, one male and one female. Additional upgrade will include internal and external wash painting and new floor finishes.
Reasons for Project:	To provide a safe accessible amenity to meet the needs of the greater community
Benefits of Project:	Accessible toilets will be available to the community
Estimated Total Cost:	\$40,000 – part of the 2019-20 Amenities Renewal Program
Commencement Date:	October 2019
Duration of Project:	4-6 weeks, subject to weather conditions
Contact Officer:	Ben Allen
Public Consultation:	Local newspaper story and social media updates
Potential Interruptions:	Closure of toilets while work is undertaken. Portable toilets will be provided while amenity is closed.
