

Space Net Relocation – Daniel Park, Cooee Bay

Project Description:	Relocation of Space Net
Reasons for Project:	As a result of upgrades to Yeppoon Foreshore the Space Net will be repurposed at Daniel Park, Cooee Bay
Benefits of Project:	The project will provide an additional climbing Space Net for the community. This will improve the aesthetic appeal of the park and increase play opportunities.
Estimated Total Cost:	\$49,500
Commencement Date:	September 2019
Duration of Project:	Late November 2019
Contact Officer:	Joanne Smith
Public Consultation:	No
Potential Interruptions:	Delay in Ergon approval. Weather conditions. Minimal disruption to park use.
