	<ul style="list-style-type: none"> (i) air craft landing facilities (including a heliport) and associated navigational aids (j) any infrastructure or utility activity which requires an environmental licence, or is a “notifiable” activity, under the <i>Environmental Protection Act 1994</i>; and (k) telecommunication facilities which are not determined to be low impact facilities, and which are of a scale or nature likely to have a significant adverse impact on the natural or built environment, including (but not limited to) any of the following: <ul style="list-style-type: none"> (i) towers or other structures more than 15 metres in height; (ii) any aboveground facility on or adjoining a site of cultural heritage significance, and (iii) aerial cabling in or immediately adjoining urban areas. <p>The term does not include Local utility as separately defined.</p>
<p>Special use</p>	<p>Premises for:</p> <ul style="list-style-type: none"> (a) cultural, educational or religious purposes, (b) a health service, hospital, nursing home or other residential health care facility (not being part of a retirement village); (c) Federal Government purposes (having the character of an office use); (d) State Government purposes (having the character of an office use); (e) Statutory Authority purposes (having the character of an office use); (f) any other welfare or public purposes not separately defined. <p>The term includes any of the following activities, or any similar activity:</p> <ul style="list-style-type: none"> (a) ambulance station, first aid station, fire brigade, police station, emergency services depot; (b) cemetery and crematorium; (c) place of worship such as church, chapel, synagogue, temple; (d) community hall or centre, senior citizens centre, youth centre, community art galleries or museums; (e) school, pre-school, college, university and ancillary residential components for staff and students at the premises; (f) a dwelling unit ancillary to the premises. <p>but does not include Child care centres, Local utility, Major utility or Telecommunications facility (Medium Impact) as separately defined.</p>
<p>Telecommunications facility (medium impact)</p>	<p>Any line, equipment, apparatus, tower, mast, antenna, tunnel, duct, hole, pit, pole or other structure or thing used by a holder of a carrier’s license under the Commonwealth <i>Telecommunications Act 1991</i>, or for use, in or in connection with a system or series of systems that carries or is capable of carrying, communications by means of guided or unguided electromagnetic energy whether such facility is manned or remotely controlled, and not being a Local utility or Major utility.</p>

(c) Recreational Purposes

- (i) In this planning scheme, “**Recreational Purposes**”, means any of the following defined purposes:

Column 1 Purpose	Column 2 Definition
Indoor entertainment	<p>Premises for any recreational activity or leisure pastime that is conducted wholly or mainly indoors.</p> <p>The term includes such typical premises as:</p> <ul style="list-style-type: none"> (a) cinemas, (b) theatres, (c) amusement centres (comprising premises having more than two pinball or electronic game machines), (d) licensed clubs, (e) unlicensed clubs (except associated with an indoor sports or outdoor recreation) and the like. <p>The term includes facilities for the associated enjoyment and convenience of patrons.</p>
Indoor sports facility	<p>Premises for any sporting activity which is conducted wholly or mainly indoors, such as indoor sports and fitness centres, gymnasium, bowling, squash courts, skating and the like, including facilities for the associated enjoyment and convenience of participants and spectators.</p> <p>The term does not includes an unlicensed clubroom and other ancillary facilities.</p>
Outdoor recreation	<p>Premises for any sporting or recreational activity, or other leisure pastime, which is conducted wholly or mainly outdoors including facilities for the associated enjoyment and convenience of participants and spectators.</p> <p>The term includes such typical premises as showgrounds, (outdoor) public swimming pools, drive-in theatres, race tracks, golf courses and driving ranges, mock-combat activities, outdoor courts and sportsgrounds, and the like. The term also includes the provision of an unlicensed clubhouse and other ancillary facilities, but does not include a Park.</p>
Park	<p>Premises for free outdoor public recreation and enjoyment, and possibly also for any or all of the following:</p> <ul style="list-style-type: none"> (a) provision of a visually pleasant landscape, (b) maintenance of natural processes, and protection of environmentally sensitive areas and/or culturally significant places, and/or (c) educational opportunities associated with the recreation and/or conservation values of the park or area. <p>The term includes such ancillary facilities for park users as sporting and playground equipment, shelters, car parking areas, educational facilities, barbecue and picnic facilities, seating, toilets, showers and lighting.</p>

(d) Ungrouped Purposes

- (i) In this planning scheme, “**Ungrouped Purposes**”, means any of the following purposes:

Column 1 Purpose	Column 2 Definition
Advertising device	Any framework, signboard, notice board, wall, roof, fence, or other structure used for the display of advertising (whether or not permanent) of a matter not associated with the primary purpose for which the premises are used.
Borrow pit	(a) Premises for taking quarry-resource material from pits on the land for road building purposes.
Car park ²²⁵	Other than comprising a local utility, premises for the parking of motor vehicles where such parking is not an ancillary activity on the site.
Major tourist facility	Premises providing for the entertainment or recreation of primarily the touring or holidaying public such as an icon attraction or theme park. The purpose includes refreshment and accommodation elements where integrated as ancillary aspects to the facility.

(6) Other Development Activities

- (a) In this planning scheme, “**Other Development Activities**”, means any of the following activities:

Column 1 Purpose	Column 2 Definition
Clearing	Means removal or destruction by any means of vegetation where such clearing is not reasonably part of other site development in the form of assessable material change of use, works or reconfiguring a lot, but does not include: <ul style="list-style-type: none"> (a) Landscape gardening purposes; (b) Agriculture; (c) Clearing for: <ul style="list-style-type: none"> (i) Management of a declared pest²²⁶; (ii) Essential or routine management²²⁷; and (iii) Forest practice²²⁸
Engineering work	Operational works other than: <ul style="list-style-type: none"> (a) placement of an on-premises sign; (b) clearing of vegetation; (c) conducting a forest practice.
On-premises sign	Any framework, signboard, notice board, wall, roof, fence or other structure whether or not permanent used for the display or advertising of a matter associated with the primary purposes for which the premises are used.

²²⁵ Car parks are Class 7(a) buildings under the BCA

²²⁶ Declared pest has the meaning defined in the IPA, Schedule 8, Part 4.

²²⁷ Essential management and routine management having the respective meanings defined in the IPA, Schedule 8, Part 4.

²²⁸ Forest practice has the meaning defined in the IPA Schedule 10.

Division 2 – Administrative terms

Column 1 Term	Column 2 Meaning
<i>the Act</i>	The <i>Integrated Planning Act 1997</i>
<i>Active frontage</i>	Means shop fronts and other ground floor uses that foster social and business activity on streets and in public places.
<i>Adjacent</i>	For the purposes of the: <ol style="list-style-type: none"> (a) Heritage Places special management area, the term means premises that contain or share a common boundary with or are within 50 metres of the boundary of premises subject to a development application; or (b) Protected Area, Wetlands and Waterways special management areas, the term means premises that contain or share a common boundary with or are within 100 metres of the boundary of premises subject to a development application;
<i>Adverse effects</i>	As described in Annex 2 of <i>State Planning Policy 1/02 Development in the Vicinity of Certain Airports and Aviation Facilities</i> .
<i>Amenity</i>	'Amenity' used in the context of the Character and Amenity element of the various zone codes in this planning scheme encompasses consideration of matters including overshadowing, penetration of natural light and ventilation, privacy, pollution and the like.
<i>Ancillary activity</i>	An activity that is necessarily associated with a particular development, but is incidental and subordinate to that development
<i>Aviation facilities</i>	As defined in section 9 of <i>State Planning Policy 1/02 Development in the Vicinity of Certain Airports and Aviation Facilities</i> .
<i>BCA</i>	The <i>Building Code of Australia</i> current at the time
<i>Buffer</i>	An area, structure or physical feature separating a source of environmental impact from an area or use sensitive to such impact. A buffer area may include public park land where the buffer function is incidental to and compatible with the use of that park for other purposes, but shall not otherwise comprise part of any required park contribution
<i>Building envelope</i>	The area defined on a plan that: <ol style="list-style-type: none"> (a) is defined by metes and bounds; and (b) shows the outer limits of the siting and wall height (where relevant) of each building, structure, private open space, driveway, parking area, garage and carport
<i>Building setback</i>	The horizontal distance between the wall of a building and the lot boundary or wall of another building on the same lot excluding: <ol style="list-style-type: none"> (a) roof overhangs, sun hoods and cantilevered awnings; and (b) cantilevered balconies, whether or not roofed.
<i>Capricorn Coast</i>	Describes the areas of contiguous urban settlement along the coastline of the Shire from the mouth of the Fitzroy River to the southern boundary of the Shoalwater Bay Military Training Area.
<i>Centre function</i>	The following describe the specific centre function for the various levels for a retail/business centre, nominated in this planning scheme: <ul style="list-style-type: none"> • <i>District</i> means the provision of a range of comparison shopping and daily and weekly retail items in a centre with a trade catchment area of 25,000 to 60,000 people comprising of a discount department store, one or two supermarkets and a range of specialty shops. • <i>Local</i> means the provision of convenience shopping needs by high frequency shopping trips at a centre with a trade catchment of around 5,000 to 10,000 people and comprising a small supermarket and a few specialty shops such as a milk bar, video hire store, baker, butcher, chemist and newsagent.

Column 1 Term	Column 2 Meaning
<ul style="list-style-type: none"> Local Convenience 	means the provision of convenience shopping needs in small village-based centres serving a trade catchment comprising largely rural and remote areas and comprising a general store in combination with a small range of specialised activities such as newsagency, post office, banking, video hire and milk bar/take away food.
Commencement day	The day ²²⁹ resolved by Council for the commencement of this planning scheme and stated in the citation to this planning scheme.
Compound	Areas comprising: <ol style="list-style-type: none"> animal enclosures, sheds, pens, holding yards, exercise areas (including poultry paddocks), feeding areas, waste management areas including pits and ponds, land disposal areas for treated waste, holding areas for solid waste, any stockpiles, packaging/handling/processing/storage areas, spray races/dips, trailing/training/animal display areas, loading and unloading areas, or plant/equipment/machinery operation and maintenance areas.
Convenience shopping needs	Describes goods purchased frequently, such as groceries, personal hygiene products, etc.
Council	Means the Council of the Shire of Livingstone
Cultural heritage significance	Of a building, other structure, premises or place, includes its aesthetic, architectural, historic, scientific, or technological significance to the present generation or past and future generations. Such significance may be attached to: <ol style="list-style-type: none"> a building (and may include its surroundings and/or its fittings and furniture), a monument, fence, wall or other structure, a tree, garden or other landscape element, and/or the whole or part of a site or place
Declared main road	Means a State controlled road.
Deep planting	Means planting of large shrubs and trees within natural ground of the site.
Domestic pets	Means the keeping of animals within the curtilage of a dwelling unit in accordance with Council's relevant Local Law.
Dwelling unit	A building or part of a building used as a self contained residence for one household which includes: <ol style="list-style-type: none"> food preparation facilities; and bath or shower; and closet pan and wash basin. It includes out-buildings and works normal to a dwelling.
Environmental Impact Statement (EIS)	A document, which may be requested to support a development application, which includes sufficient detail to allow an adequate assessment to be made of the potential environmental impacts and the suitability of proposed mitigation measures:

²²⁹ Refer to the citation at the beginning of this planing scheme for the actual date.

Column 1 Term	Column 2 Meaning
	<ul style="list-style-type: none"> (a) a description and justification of the development proposal, (b) a description of the existing environment and its values and significance, (c) a statement of the likely impacts of the proposal on the existing environment, (d) a statement of the measures to be used to avoid or mitigate adverse impacts, (e) a statement of the means to be used to monitor the effectiveness of the mitigation measures and to respond to accidents, emergencies and other instances of non-compliance; (f) and commonly incorporates an Environmental Management Plan
Environmental Management Plan (EMP)	<p>A document which may be requested to support a development application, or required as a condition of development approval, which describes, for carrying out development, for operating infrastructure, for using premises:</p> <ul style="list-style-type: none"> (a) what acceptable levels of environmental impact are intended to be achieved and maintained, (b) how it is proposed to avoid environmental harm or nuisance, (c) who is responsible for implementing the management measures, (d) what monitoring and reporting will be undertaken, (e) what actions will be taken to respond to non-compliances and emergency situations
Environmental value	A quality or physical characteristic of the environment, or part of the environment, that is conducive to ecological health or public amenity or safety
Existing	A use, building, other structure or premises that was lawfully in existence, or approved, immediately before the commencement day. Whether such use, building, other structure or premises remains lawful at any given time shall be determined in accordance with the relevant provisions of the Act
Forestry business	<p>Premises for “forest practice”²³⁰</p> <p>The term includes milling of cut timber on the same site by portable machinery and the manufacture and packaging of timber goods resulting from the cutting and ancillary milling of the timber.</p>
Green break separations	Refer to areas of largely undeveloped land in its natural state comprising timbered areas and/or grassland between areas that are developed with more intense uses or with buildings or works.
Gross floor area (or GFA)	<p>The sum of the areas (inclusive of all walls, columns and balconies whether roofed or not) of all storeys of a building or buildings, excluding:</p> <ul style="list-style-type: none"> (a) the areas (inclusive of all walls and columns) at any topmost storey of lift motor rooms or air conditioning or other mechanical or electrical plant and equipment rooms; (b) the area of that part of any private balcony whether roofed or not and accessible only from one dwelling or rooming unit, where the combined area of such balconies does not exceed 20% of the maximum allowable gross floor area of the building; (c) the area of any public lobby at ground storey level; (d) the area of any public mall, covered public walkways, or public toilets in a shopping centre; (e) the areas (inclusive of all walls and columns) at any ground storey

²³⁰ “forest practice” has the meaning assigned by Schedule 10 to the IPA

Column 1 Term	Column 2 Meaning
	level (in the case of residential development), or any level below ground storey, of all space used or intended for use for the parking and manoeuvring of motor vehicles
Ground level	In relation to a lot, means the level of the ground on the lot at the date of registration of that lot's title deed. Where the ground level at that date is not known, the ground level is as determined by the Council
Ground storey	The storey which has its floor level closest to ground level, measured at the middle of the front wall of the building
Habitable room	As defined in the BCA.
Height	In relation to a building or structure, refers to the vertical distance between ground level and the highest point of that building or structure
Home activities	<p>A dwelling unit used for an office-based business activity by a person residing in the dwelling unit which does not involve the:</p> <ul style="list-style-type: none"> (a) employment of persons other than residents; or (b) use, whether temporarily or otherwise, of more than 40m² of the gross floor area of the dwelling unit; or (c) imposition of a load on any public utility undertaking greater than that which is reasonably required for the predominant uses, existing or likely, in the immediate locality; or (d) interference with the amenity of the neighbourhood by reason of the emission of noise, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, grit, oil, waste water, waste products, radio or electrical interference or otherwise; or (e) presence at the dwelling unit, at the one time, of two or more persons not being residents; or (f) public display of goods, whether in a window or otherwise; or (g) exhibition of any notice, advertisement or sign other than a sign not exceeding 0.3m² which identifies the name of the person and the activity; or (h) traversing of vehicles on any street in the locality or vehicle movements on any such street in excess of that which is or could be reasonably expected to be generated by other development in that locality during any particular period of time; or (i) the use of the premises for: <ul style="list-style-type: none"> (i) prostitution carried out in accordance with the Queensland Prostitution Act; or (ii) a family day care centre; or (iii) light industry, general industry or noxious or hazardous industry; or (iv) heavy vehicle parking; or (v) the conduct of a professional office for the purpose of providing medical or dental services or the like; or (vi) a real estate office; or (vii) personal services such as a hairdresser, beautician, masseur or the like.

Level 1 Viewer Place

For the purposes of assessing the level of visual detractor that may result from a development on land affected by the Capricorn Coast Landscape special management area, Level 1 view Places comprise land defined in Column II below:

Column I Location:	Column II Extent of Level 1 Viewer Places	
Along the following road: • Scenic Highway, • Farnborough Road, • Yeppoon Road, • Emu Park Road, • Tanby Road	If the road reserve is not wider than 20 metres:	Within the area of the road reserve plus 10 metres on either side of the reserve measured from its outer edge.
	If the road reserve is wider than 20 metres but not wider than 30 metres:	Within the area of the road reserve plus 15 metres on either side of the reserve measured from its outer edge.
	If the road reserve is wider than 30 metres:	Within the area of the road reserve plus 20 metres on either side of the reserve measured from its outer edge.
Along the coastline foreshore	If there is a frontal dune:	Within 40 metres of the toe of the frontal dune.
	If there is no beach or frontal dune:	Within 40 metres of the Mean High Water Spring tide.

Lot As defined in the Land Act 1994.

Map or Maps This planning scheme includes 3 series of maps being, Zoning Maps, Overlay Maps and Planning Scheme Maps. In this planning scheme, reference to a map or maps includes an original map adopted at or subsequent to the commencement day plus any amending sheet to an original map.

Maximum density Refers to the maximum number of people to be accommodated in multi-unit residential premises assessed by using the following occupancy rates:

- One bedroom = 2 persons
- Two bedrooms = 3 persons
- Each additional bedroom = 1 additional person

Minor quantities of dangerous goods Refers to the storage, handling, use or production of dangerous goods as mentioned in the *Australian Code for the Transport of Dangerous Goods by Road and Rail* (ADG Code), and flammable and combustible liquids, where the quantity of such dangerous goods and liquids on the site of any factory, industrial workshop or warehouse at any one time is less than the following:

- (a) The storage, use or production of dangerous goods included in Classes 1, 2, 3, 4, 5, 6, 8 and 9 of the ADG Code involves:
 - (i) quantities less than those specified in the table below:

	Class/Type	Quantity litres/ kilograms
Explosives	Class 1	25 kg/litres
Flammable gases other than LPG Class 2.1	Class 2	

Column 1 Term	Column 2 Meaning
Liquified petroleum gases	Class 2.1 8,000 litres
Non-flammable/non-toxic gases	Class 2.2 100,000 litres
Non-flammable oxidizing gases	Class 2.2(5) 100,000 litres
Poisonous gases	Class 2.3 100 litres
Flammable liquids	Class 3 Packaging Group I 20,000 kg/litres Packaging Group II 50,000 kg/litres Packaging Group III 100,000 kg/litres
Combustible liquids	CI/CII 500,000 kg/litres
Flammable Solids	Class 4.1 100 kg/litres Packaging Group I 250 kg/litres Packaging Group II 2,000 kg/litres Packaging Group III 5,000 kg/litres
Spontaneously combustible solids	Class 4.2 Packaging Group I 125 kg/litres Packaging Group II 1,000 kg/litres Packaging Group III 2,500 kg/litres
Dangerous when wet solids	Class 4.3 Packaging Group I 250 kg/litres Packaging Group II 2,000 kg/litres Packaging Group III 5,000 kg/litres
Oxidising agents	Class 5.1 Packaging Group I 1,250 kg/litres Packaging Group II 10,000 kg/litres Packaging Group III 25,000 kg/litres
Organic Peroxides	Class 5.2 Packaging Group I 125 kg/litres Packaging Group II 1,000 kg/litres Packaging Group III 2,500 kg/litres
Poisonous substances	Class 6.1(a) Packaging Group I 250 kg/litres Packaging Group II 2,000 kg/litres Packaging Group III 5,000 kg/litres
Infectious substances	Class 6.2 100 kg/litres
Corrosives	Class 8 Packaging Group I 1,250 kg/litres Packaging Group II 10,000 kg/litres Packaging Group III 25,000 kg/litres
Miscellaneous dangerous substances	Class 9 25,000 kg/litres
Goods to dangerous to be transported	200 kg/litres

(ii) provided that the aggregate quantity of all such dangerous goods on the site at any one time:

- in the case of liquids, does not exceed 50,000 litres;
- in the case of dangerous goods other than liquids, does not exceed 50,000 kilograms; or
- in the case of both liquids and other dangerous goods, where the total number of litres and kilograms is added together does not exceed 50,000.

(b) The storage, use or production of liquefied petroleum gas, flammable liquids included in Class 3 of the ADG Code and/or combustible liquids as defined in *Australian Standard 1940 - The Storage and Handling of Flammable and Combustible Liquids*, both as amended from time to time, involves:

- (i) quantities of gas or liquid stored (as indicated by the design capacity of the storage system) or intended to be stored

Column 1 Term	Column 2 Meaning
------------------	---------------------

above ground less than the quantities specified in the Table following:

Class	Type	Quantity
Class 2.1	Liquefied petroleum gas	8,000 litres
Class 3.1	Flammable liquids	2,500 litres
Class 3.2	Flammable liquids	5,000 litres
None specified	Combustible liquids	10,000 litres

- (ii) provided that the aggregate quantity of all such types of gas and liquid stored or intended to be stored below ground is less than 250,000 litres.
- (c) The storage of any quantity of liquefied petroleum gas and flammable and combustible liquids where the storage is for part of the lawful use of the premises for the purposes of a Public Utility or Service Station.

For the purposes of this definition, “**Packaging group**” is a categorisation of dangerous goods for packaging purposes, recommended by the United Nations Committee of Experts on the Transport of Dangerous Goods, according to the degree of danger they present as follows:

- (a) Great danger - Packaging Group I
- (b) Medium danger - Packaging Group II
- (c) Minor danger - Packaging Group III

Noise sensitive place

- a site within²³²:
- (a) 50 metres of a State controlled road;
 - (b) 100 metres of a State controlled railway corridor²³³;
 - (c) an area nominated by Council in a planning scheme policy; for any of the following defined purposes²³⁴ or any purpose if also in the Protected Area special management area:
 - (i) Residential purposes
 - (ii) Special use for:
 - (A) cultural, educational or religious purposes;
 - (B) health service, hospital, nursing home or other residential health care facility;
 - (C) library;
 - (D) school, pre-school, college, university and ancillary residential components for staff and students at the premises;
 - (iii) child care centre;
 - (iv) park

Operational airspace

As defined in section 9 of *State Planning Policy 1/02 Development in the Vicinity of Certain Airports and Aviation Facilities*.

Overlay

A layer in the planning scheme that identifies special management areas and is subject to the provisions of Division 10 of Part 3 of this planning scheme

Plan of Development

A plan which has been approved by Council as part of a development approval. This plan shall be incorporated into the conditions of such approval, and shall specify the nature, layout, and extent of the proposed

²³² In this context, the extent of the area within the specified distances shall be measured from the relevant boundary of the State controlled land for (a) and (b) or for (c) as detailed in the planing scheme policy.

²³³ For the purposes of this definition, ‘State controlled railway corridor’ refers to railway corridor land as defined by the *Transport Infrastructure Act*.

²³⁴ Refer to Schedule 1, Division 1

Column 1 Term	Column 2 Meaning
	development of the land
Planning scheme area	The whole of the Shire of Livingstone
Plot ratio	The expression as a ratio of gross floor area divided by the area of the site where the area of the site equates to 1 e.g., plot ratio of 2.5:1 = 2,500m ² GFA on a 1,000m ² site.
Principal road frontage	Refer to Road frontage
Precinct	A geographical division of land in a zone identified for the purposes of this planning scheme
QRDG	The current version of the <i>Queensland Residential Development Guidelines</i>
Relocatable home	A Class 1 building under the BCA that is: <ul style="list-style-type: none"> (a) factory assembled or built in components and assembled on-site; and (b) designed to be transported from one location to another; and (c) ordinarily able to be moved
Ribbon development	Refers to linear development stretching in a straight line e.g., along either side of a road and generally not more than one lot deep.
Riparian corridor	That part of the landscape adjacent to watercourse and waterbodies that exert a direct influence on the stream or lake margins, and on the water and aquatic ecosystems contained within them including the stream banks and a variable width belt of land alongside the banks/shore.
Road frontage	Refers to the boundary between a lot and a road abutting the lot. If the lot abuts more than one road, then the road frontage to the highest order road (as determined by Council) is the principal road frontage and any other frontage is a secondary road frontage.
Roadside stall	Premises, not exceeding 25m ² in gross floor area used or intended to be used mostly on an irregular or casual basis for the sale by retail of primary produce grown on the land on which the premises are located. Such produce is sold mostly in small quantities to the travelling public. The term does not include "Produce Store" or "Shop" as defined in this planning scheme
Rooming unit	Any part of a building used or intended for use to accommodate one household but which is not self-contained
Secondary road frontage	Refer to Road frontage.
Sensitive receptor	Includes: <ul style="list-style-type: none"> (a) land and uses in the Residential zone, Village zone and Park Residential zone, (b) all Residential purposes, (c) a Medical centre, (d) Recreational purposes for Park or Outdoor recreation, or (e) Community purposes.
Significant	Where referring to impacts of development, refers to both incremental and cumulative effects.
Site	Any land on which development is carried out or is proposed to be carried out whether such land comprises: <ul style="list-style-type: none"> (a) the whole of any one lot, or parcel of land; or (b) only part of one lot; or

Column 1 Term	Column 2 Meaning
	(c) more than one lot where each lot is contiguous with the other or another lot; or (d) conjointly used lands which are not adjoining lands; (e) and which in rural areas may be a total farm holding operated by the land holder
Site cover	The area on a site covered or proposed to be covered by a building or structure that: (a) includes: (i) the area contained within the projection of the outer limits of all floors of a building onto the ground; and (ii) covered ground-level car parking; but (b) excludes; (i) driveways, vehicle manoeuvring areas and uncovered car parking; and (ii) any unenclosed building or structure, designed primarily to provide shade or rain protection, used for private recreational purposes as part of a residential purpose; and (iii) roof overhangs and sun hoods; and (iv) balconies that project from the building and are not enclosed on two sides whether or not roofed; and (v) underground car parking not exposed at ground level (NOTE: any portion of the structure exposed is include in site cover).
Site density	The maximum number of dwelling units or lots permitted on a particular site, or in the case of staged development, that part of the site included in any particular stage: (a) expressed as a ratio between the number of dwelling units or lots and the area of the site, and (b) where the area of the site excludes any balance area and land set aside for public recreation or conservation purposes
Solid screen fence	Means a fence or barrier that is constructed of material that: (a) precludes a person from seeing through the structure; and (b) reduces the volume of noise on the opposite side of the fence to the noise generator.
Special management area	Part of the planning scheme area requiring special management because of a particular natural or cultural feature or resource that needs to be taken into account in the development and use of premises in that area and is subject to the provisions of Division 10 of Part 3 of this planning scheme
