

Water Consumption Charges

Residential customers will be charged based on the graduated water usage tiers per quarter as outlined in the following table.

Residential Consumption Charges 2018/2019		
Billing Tier	Kilolitres (kl) Per Meter	Charge per Kilolitre
1 st Tier	Up to 75kl per quarter	\$0.87
2 nd Tier	76kl to 150kl	\$1.34
3 rd Tier	All usage greater than 150kL per quarter	\$2.71

Non Residential customers will be charged quarterly at a single tier flat rate of **\$1.99** per Kilolitre.

Water Access Charges

Access charges will be variable according to the size of the meter connection.

For each water supply area, the water access charge applies to both residential and non-residential properties.

Where water is supplied to premises that comprise of a residential flat development, each unit will be charged a 20mm access fee whether individually metered or they are serviced by a single shared meter. The consumption tier amounts are multiplied by the number of access charges applied to the property.

Properties with a dedicated fire line will be charged for this line at the equivalent of a 20mm service.
