

Clayton Road Footpath Project

Project Description:	Construction of concrete pathways and associated works on Clayton Road from Scenic Highway to Evelyn Street, Lammermoor.
Reasons for Project:	This construction project will include new pathways and new pedestrian refuge crossings.
Benefits of Project:	Provision of a higher level of safety for pedestrians, cyclists and motorists.
Estimated Total Cost:	\$ 602,142
Commencement Date:	October 2025
Duration of Project:	5 months
Contact Officer:	Marco Bandiera, Coordinator Urban Operations
Public Consultation:	Notice of works issued to residents in the area, electronic message boards forewarning road users, traffic control signage, notices posted at closed bus stops and direct communication with properties that will have driveway access restrictions.
Potential Interruptions:	Various interruptions to normal traffic flow during various stages of the works. Interruptions to normal traffic flow will include: • Lane and road closures with detours provided • Reduced speeds through work areas • Short term single lane closures to manoeuvre equipment and machinery • Short term part lane closures during some excavations • Barrier fencing restricting pedestrian access to various areas • Bus route changes with the closure of stops on Clayton and Mulambin Roads
