Project Plan

Livingstone SHIRE COUNCIL

Vin E Jones Dr Trunk Watermain Replacement Project

Project Description:	Construction of a replacement trunk watermain and associated works on Vin E Jones Dr, Rosslyn.
Reasons for Project:	This construction project will replace the existing trunk watermain.
Benefits of Project:	Provision of a higher level of potable water network reliability and increased capacity to Rosslyn Bay.
Estimated Total Cost:	$ 879,500
Commencement Date:	April 2026
Duration of Project:	4 months
Contact Officer:	Marco Bandiera, Coordinator Urban Operations
Public Consultation:	Notice of works issued to properties in the area, electronic message boards forewarning road users, traffic control signage and direct communication with local businesses.
Potential Interruptions:	Various interruptions to normal traffic flow during various stages of the works. Interruptions to normal traffic flow will include: • Lane closures during working hours • Reduced speeds through work areas • Short term road closures to manoeuvre equipment and machinery • Barrier fencing restricting pedestrian access to various areas
