

## Downloading the App for Rural Residents who Do Not receive an Urban Kerbside Wheelie Bin Collection

The Livingstone Waste Wise App was initially designed for the Urban Domestic Kerbside wheelie bin collections. The eVouchers are a recent addition to this App. If you are a rural resident eligible for waste vouchers, please follow the procedure below to find your property to access your eVouchers from 1 September 2022. This is only the initial procedure to download the App; please follow the eVoucher download video to find your vouchers for your actual property address.

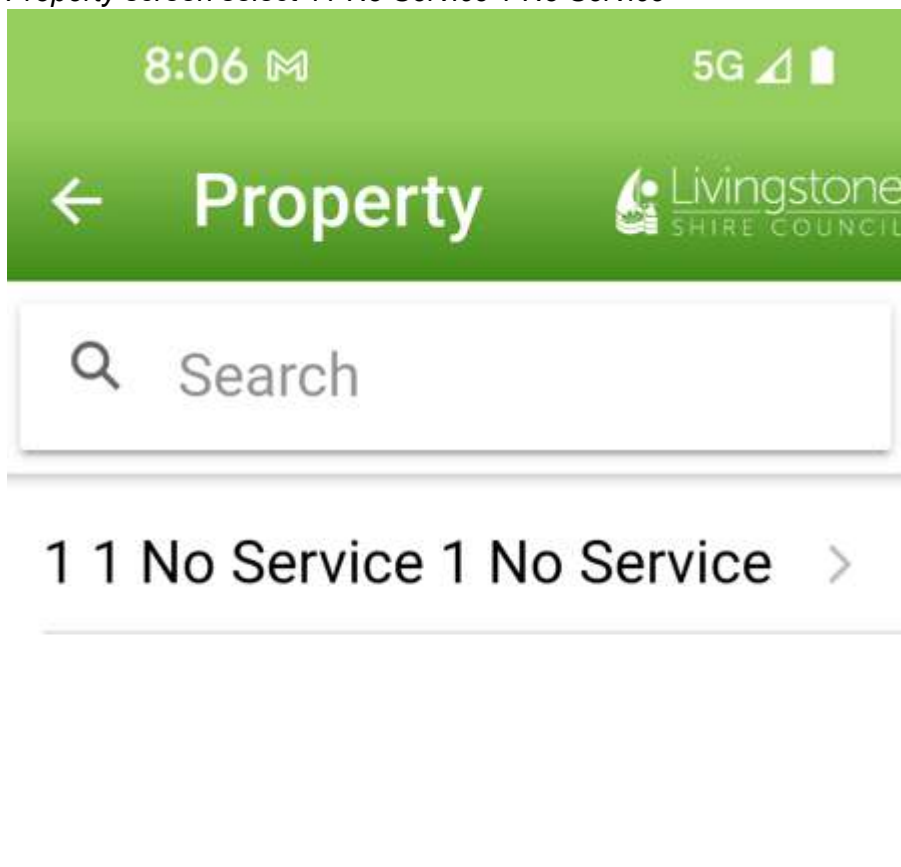

1. On the *Suburb* screen select *1 No Service*

2. On the *Street* screen select 1 No Service

3. On the *Property* screen select 11 No Service 1 No Service

4. From 1 September 2022 you will be able to click on the *Vouchers* icon at the bottom of the screen to find the eVouchers for your property.
