

Schedule 2 Mapping

SC2.1 Map Index

- (1) The table(s) below list any strategic framework, zoning, local plan and overlay maps applicable to the planning scheme area.
- (2) The Strategic Framework Maps are used as a component of the Strategic Framework which is contained in Part 3 of the planning scheme.
- (3) The Zone Map Overview Map provides an overview of the localities of the planning scheme area. Each locality has been used as the basis for displaying the zones.
- (4) The Zone Maps show the zones for the planning scheme area. When using these maps, reference should be made to Part 6 of the planning scheme.
- (5) The Zone Precinct Maps show the precincts of the zones for the planning scheme area. When using these maps, reference should be made to Part 6 of the planning scheme.
- (6) The Local Plan Maps show the local plans for the planning scheme area. When using these maps, reference should be made to Part 7 of the planning scheme.
- (7) The Overlay Maps show the overlays for the planning scheme area. When using these maps, reference should be made to Part 8 of the planning scheme. The map index below highlights that there is an overlay map for the Shire and there may be a series of additional maps. The series of additional maps are used to provide better clarity and representation of overlays for urban areas and townships (for hard-copy planning scheme documents). If there are additional maps in the series, the map number will be shown on the Shire map.
